

Bids Received For New Bridges At South Bay And Lake Harbor; SR15 Retread Job To Start In 30 Days

County Commissioner Paul Rardin returned from Deland Tuesday where he said the State Road Department in regular monthly meeting received bids for construction of two new bridges on SR80 in the Everglades—the remaining two of the four death traps which he has sought replacement of for several years, one at Lake Harbor and one at South Bay. Cleary

Brothers Construction Company of West Palm Beach were low bidders at \$194,301.80 with Ryan Construction Company second low at \$201,651.50 and Powell Brothers of Fort Lauderdale in third place with a bid of \$210,258.74.

Commissioner Rardin was also assured by Division Engineer, W. D. Carlton of Fort Lauderdale that contract had been let for surface

treatment of 4.2 miles of Bacom Point Road from Pahokee to the airport, where it will join with the recently completed 8 miles of new SR 717. Mr. Carlton said that this contract was let to the Campbell Paving Company of Clearwater and that the work of laying the new surface should be started within the next few weeks.

Rubin Construction Company of

West Palm Beach has been given the go-ahead signal by the road department on their contract of retreading SR15 from Belle Glade via Pahokee to Canal Point. This contract in the amount of \$160,838 includes one block of retread on Southern Boulevard in West Palm Beach. Officials of the Rubin concern this week told Commissioner

Rardin that the retread job between Belle Glade and Canal Point should be started within the next 15 to 30 days. The contract calls for retreading with hot plant mix 13.8 miles between Belle Glade and Canal Point, skipping a few of the places in Pahokee where it is in excellent condition and paved from curb to curb.

Pahokee Band Gets 1st Division Rating

Bandmaster Robert O. Lampi's Pahokee High School Band, always one of the top-notch high school bands in its class in the State, again proved its high quality of performance at the State Band Concert in Tampa last weekend when it was given a first division or superior rating in concert, the most important phase of the contest, and was the only group of the six State High School Bands competing in Class CC to be rated superior in concert. In the other two phases of the contest the Pahokee Band received an excellent rating in both sight reading and marching.

Superior ratings were also received by the PHSB saxophone quartet, composed of Bonnie Miller, first alto, Val Galbaldon, second alto, Glenda Russom, tenor, and Donna Upthegrove, baritone saxophone; by Frances Wilson, trombone solo; Neely Johnson, trombone solo; Fred Blakey (cornet solo, and Chuck Elliott, snare drums solo.

Excellent ratings were earned by Carol Carpenter, student conducting; John Williams, cornet solo; and Judy Starling, Cindy Friend and Nancy Thomas, baton solos. Val Galbaldon was rated good in his alto saxophone solo.

Delray Sends Good Will Ambassadors

A delegation of Delray Beach Chamber of Commerce boosters on a three-day goodwill tour of the State stopped briefly in Pahokee Thursday morning of last week to visit local C of C officials and members and invite them to "visit Delray Beach this summer." In the delegation of approximately 25 persons, which was making the tour in a charter bus, were Mayor Catherine Strong, Ralph Priemeyer, C of C president; Doyle Morgan, C of C manager; Ben Sundry, Palm Beach County Commissioner; Elizabeth Hand, member of the Palm Beach County Board of Public Instruction and Miss Dorothy Steiner. "Miss Dixie" and gladiolus queen.

CANCER FUND OK!

The fund-raising drive for the American Cancer Society has passed its goal of \$1,000 for the Pahokee-Canal Point area, with collections to date totaling \$1,083.92.

Music Clinic Will Start On June 21st

Bandmaster Robert O. Lampi, director of the Pahokee High School Band, has announced the sixth annual Summer Music Clinic and Program, sponsored by the Palm Beach County Board of Public Instruction, will be held at Pahokee High School, starting June 21.

Parents of children interested in joining next year's high school band are asked to contact Mr. Lampi regarding the necessary instruments. Details of the clinic will be announced later.

Carolyn Hickerson Is Worthy Advisor

Miss Carolyn Hickerson was installed new worthy advisor of the Pahokee Assembly, Order of Rainbow for Girls, at a meeting in the Masonic Hall Monday night, with Mrs. Gladys Harrington, worthy matron of the Pahokee Chapter, Order of Eastern Star, acting as installing officer.

Other new Rainbow officers inducted by Mrs. Harrington were Miss Kay Friend, worthy assistant advisor, Miss Jeanine Mock, charity; Miss Betty Harrison, hope; Miss Gaye Schoepel, faith; Miss Linda Sellers, nature; Miss Aleph Hall, chaplain; Miss Elaine Weeks, drill leader; Miss Beth Smith, love; Miss Valarie Geiger, religion; Miss Mary Keen, immortality; Miss Susan Johnson, fidelity; Miss Sylvia Jones, patriotism; Miss Helen Sheppard, service; Miss Mary Arthur Kirk, outer observer; Miss Martha Gail Ammons, confidential observer; Miss Judy Shackford, musician and Miss Janet Shiver, choir director.

During the brief business session it was reported the Pahokee Assembly netted \$50 from its recent bake sale, this money to go into the fund being raised by the assembly to help pay the expense of sending delegates to the Grand Assembly.

Mr. and Mrs. Fred Hickerson were hosts during the serving of refreshments at the conclusion of the meeting.

FELLOWSHIP TEA

The Intermediate and Senior groups of the Pahokee Methodist Youth Fellowship entertained on the church lawn Sunday at 6 p. m. with a Mother's Day tea honoring all mothers.

Lions Seek Cash For Street Lights

Canal Point Lions at their weekly dinner meeting discussed plans for collecting \$500 to pay for street lights in the Canal Point area for one year. Since the community of Canal Point is not incorporated as a town it is necessary to collect from residents and business houses that benefit from the street lighting sufficient funds each year to cover the cost. The Lions Club has assumed the responsibility of raising this fund annually as a club project.

During the past year the lighting system was expanded to include the newly established children's playground adjoining the Community Park at the south. On the committee in charge of this year's street lighting fund raising project are Albert Fremd, Grady Boynton and Alton Jones.

On the program Clyde Alley, principal of Canal Point School, showed a film, "The Report Card Comes Home," relating to school children's report cards.

Toll Road Hearing Is Set For Monday

The County Commission this week called a special hearing for next Monday to discuss the location of the proposed turnpike through Palm Beach County following a wave of protests over the route that has been staked out for the toll road.

The meeting will be held at 10:30 a. m. Monday at the new county agricultural headquarters on Military Trail.

The commission asked that all political subdivision, county municipalities and other interested organizations, plan to send a representative to the meeting in order that some definite conclusion could be reached on location of the turnpike.

ACCIDENT REPORT

One person was killed and 44 injured in the 83 motor vehicle accidents occurring in Palm Beach County through the month of April, according to the monthly report of the State Department of Public Safety released at the Florida Highway Patrol Station in Pahokee. Personal property damage resulting from the 83 accidents was estimated at \$42,205.

Date Is Changed For Club Meeting

The executive board of the Pahokee-Canal Point Garden Club at a meeting at the home of Mrs. F. M. Shaughnessy Tuesday voted to change the date of the club's annual covered-dish luncheon from Tuesday, May 25, to Thursday, May 27. The change was made after it was learned the Community Park building at Canal Point, where the luncheon is to be held, will not be available to the club on May 25 because the building will be in use on that date as a voting place.

Machines Readied For May 25 Voting

The county commission this week took initial steps for setting up the May 25 run-off election in which races for governor, state representative and circuit judge will be on the ballot. The board this week released all the voting machines so that the counters could be reset for the coming election; authorized the appointment of poll workers and officially issued the election call for the runoff.

The board also took note that the first primary last week brought a total of 15,278 votes for Commission Chairman Lake Lytal, the highest vote polled by any candidate on the ballot.

Mrs. Dulany Takes Over As PTA Head

Mrs. John A. Dulany was installed new president of the Pahokee Parent-Teacher Association for the 1954-55 school year at the final PTA meeting of the current school year held in the high school auditorium Monday night, with Mrs. Frank Monday acting as installing officer.

Other new officers inducted were Mrs. A. D. Beverly, first vice president, with Mrs. George Arneaux acting as proxy in her absence; Mrs. R. T. Smith, second vice president; Mrs. James H. Wilson, secretary; Mrs. Graham Mole, treasurer; Richard L. Brooks, parliamentarian, with Mrs. Robert McIntosh acting as proxy in his absence; Miss Ruth Dorsey, historian.

Miss Roberta Hatton, University of Florida student, spent the weekend with relatives in Pahokee.

Council Canvasses Election Votes

The Pahokee City Council met Monday to canvass the votes of the recent city election in which Mayor Lewis Friend, City Clerk Dorothy Graham, Police Chief Leon Guthrie and Councilman James Harry Wilkinson, Jr., Robert B. Simonson and Loren Meredith were each re-elected for another two-year term of office, all without opposition except for Loren Meredith who was re-elected councilman, group three, receiving 334 votes to 231 for his opponent, R. D. Hardaway.

After the Council approved the report of the election board, City Attorney Ralph O. Johnson swore into office Mayor Lewis Friend for another two-year term and Mayor Friend swore in the other re-elected officials.

In the re-organization of the Council for the coming year Councilman Dick Parrish was elected council president and finance commissioner; Councilman Loren Meredith, vice president and police commissioner; Councilman J. H. Wilkinson, Jr., streets, parks and sidewalks commissioner; Councilman Louis Mims, sanitation and building commissioner; Councilman Robert B. Simonson, waterworks commissioner. It was voted to retain all city employees at their present salaries until such time the Council may give notice of any changes.

The Council voted a \$250 contribution to the Pahokee Chamber of Commerce current membership drive. It also authorized a final payment of \$150 on a voting machine which is now the property of the city.

City Clerk Dorothy Graham was authorized to close the clerk's office all day Saturdays through the summer, June 5—Sept. 11.

Membership Tea By WSCS In Pahokee

The Pahokee First Methodist Woman's Society of Christian Service will conduct its annual membership tea at the home of Rep. and Mrs. B. Elliott, 240 Bacom Point Road, Sunday, May 16, from 4 to 5 p. m., when prospective members and friends will be guests.

In the receiving line will be Mrs. Arch Blakey, retiring president; Mrs. Frank Friend, Mrs. W. A. Howell, Mrs. Clyde Alley, Mrs. Inez Reeves and Mrs. R. F. Hurt, circle chairman.

Miss Shirley Ann Ammons Is Wed To Lt. Billy Ray Evans In Church Ceremony

Miss Shirley Ann Ammons, daughter of Mr. and Mrs. C. Wade Ammons of Canal Point, became the bride of Lt. Billy Ray Evans, U. S. Air Force son of Mr. and Mrs. W. M. Evans of Belle Glade, in a candlelight ceremony held at the Canal Point Baptist Church Sunday, May 9, at 3 p. m., with the Rev. Joe G. Clements, pastor officiating.

The altar was decorated with floor baskets of white gladioli and Easter lilies against a background of palms and fern and was lighted by cathedral-type tapers in branch-candelabra.

The program of nuptial music was presented by Miss Sandra Kay Kirk, pianist, of West Palm Beach, a cousin of the bride, and Farris

Kincaid of Pahokee, vocalist, who sang "Through the Years" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a strapless gown of waltz-length nylon net over white satin with skirt of sprays of lace roses on nylon. A net bolero was fashioned with a Peter Pan collar of lace roses and long sleeves pointed at the wrist. Her nylon net veil, a replica of Queen Elizabeth's was fastened at the head by a tiara of seed pearls. She carried a white satin prayer book sprayed with white satin streamers studded with orange blossoms and centered with white orchids.

Miss Martha Gail Ammons, sister of the bride and maid of honor, wore a strapless gown of pink nylon net over taffeta with fitted bodice and full skirt. Over her shoulders was a lace bolero, and a pink tiara formed her headpiece. She carried a star-shaped bouquet of pink carnations.

Miss Nancy Hillier and Miss Ann Thompson, both of Pahokee, as bridesmaids wore strapless gowns of nylon net over taffeta identically designed with fitted bodices and tiered full skirts and boleros of taffeta. They also wore matching headresses. Miss Hillier, in an aqua gown, carried a star-shaped bouquet of aqua carnations and Miss Thompson, in a blush pink gown, carried a similar bouquet of pink carnations.

Ronald Whitlock of Belle Glade served, as his cousin's best man. Wilford Markhan and Ronnie Cameron of Belle Glade were ushers. Little Tommy Hornsby of Wauchula, a cousin of the bride, was ring bearer.

Mrs. Ammons chose for her daughter's wedding a silk lavender dress with white accessories and a corsage of pink carnations. Mrs. Evans, mother of the bridegroom was in a beige lace dress with beige accessories and her corsage was also of pink carnations.

The reception following the ceremony was held at the home of the bride's parents, Lake Shore Drive, where Mrs. John F. Kirk of West Palm Beach, aunt of the bride, presided at the punch bowl while another aunt, Mrs. T. C. Hornsby of Wauchula, served portions of the wedding cake. Miss Francis Wilson of Canal Point was in charge of the bride's book.

The Rev. and Mrs. W. Hal Hunter had as guests over the weekend her parents, Mr. and Mrs. J. A. Strange of Sanford.

We Owe It To Our Children

*before we cast our vote for
Florida's next Governor
to decide this question!*

*with which candidate will
future progress of Florida's
schools be assured?*

What counts is not the promises the candidates make in an election year but what their present records prove they will do!

YOU EXAMINE THE RECORDS . . YOU BE THE JUDGE

1937—When Florida was suffering from a severe teacher shortage because working conditions compared unfavorably with those in other states, LeRoy Collins led in setting up a state-wide retirement system for teachers.

1939—LeRoy Collins sponsored Florida's first code to modernize our school system and to protect teachers from political interference. LeRoy Collins sponsored legislation to provide education for children with emotional problems.

1939, 1941, 1943, 1951—LeRoy Collins sponsored legislation for additional funds for new buildings at our State universities.

1941—LeRoy Collins sponsored legislation to provide special educational facilities for physically handicapped children.

1947—LeRoy Collins led in setting up the Minimum Foundation Program, assuring good schools, teachers, and school buses for all children in all counties. It is this program that materially elevated the overall standard of Florida's schools, and attracted favorable

national interest. Charley Johns has the "distinction" of being the only member of the legislature who voted against the Minimum Foundation Program.

1949—LeRoy Collins supported a desirable amendment to the Minimum Foundation Program, increasing the State's share of financing the program, so as to provide equal educational opportunities for our children.

1951—LeRoy Collins sponsored the constitutional amendment which provided funds for new school buildings in every county. He also sponsored an increased appropriation for the Minimum Foundation Program, and legislation for broader representation on The State Board of Control.

1953—LeRoy Collins successfully led the fight for a pay raise for the teachers, and sponsored appropriations for county libraries and for driver education in Florida schools. He also supported an increase in teacher-training scholarships.

*The proof of LeRoy Collins' great record of service to our schools
is in these expressions from those closest to Florida's schools...*

Report on Florida Education Association Convention.

"Johns, with the privilege of a few words as Chief Executive, lauded the State's teachers as hard-working, underpaid public servants. Collins, his bitter rival for the governorship, only rose to take a bow, but he stole the show. Applause from the teachers lasted long enough for the Tallahassee Senator to stand up a second time for another bow."

Miami Herald, April 9, 1954

Letter from the President of the Florida Education Association to Senator Collins.

"Although it is not the policy of the FEA to take part in any political campaign, it is my personal opinion that we cannot allow any fact dealing with education to be misrepresented or perverted for political use."

"Our records indicate and I know from personal observation that it is to your credit that the proposal to increase teachers' salaries ever received the consideration it did. Much constructive legislation for the improvement of schools was enacted during the session, notably the school building amendment which you introduced. 'I want you to know that we appreciate your efforts in behalf of education in the 1951 session and in every session in which you served' . . ."

Statement from the President of Florida School Board Association.

"We have considered that for 18 years LeRoy Collins has been one of the staunchest supporters of education in this State. He has done so many things for the schools that I cannot attempt to enumerate them."

Christian Science Group Of Canal Point

That man can gain health, happiness, and immortality by relying on the spiritual facts of God and man taught by Christ Jesus will be emphasized at Christian Science services Sunday.

The Lesson-Sermon entitled "Mortals and Immortals" includes the account from the Bible of how Christ Jesus restored to life the only son of the widow of Nain (Luke 7: 11-16).

Explaining the basis of Christ Jesus' healing power, the following passage will be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

"Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible" (369:16).

Youth Narrowly Escapes Electrocutation

Bruce Myers, three-year-old son of Mr. and Mrs. Ralph Myers, was severely burned on the hand, suffered shock and narrowly escaped being electrocuted Saturday evening when playing in his backyard he climbed up to where a large electric light bulb was hanging from an extension cord, then fell to the ground with the bulb breaking in his hand.

His mother, hearing the child's screams of agony, found him with the fingers of his right hand clasp- ing the bare wires of the bulb, the skin of his hand burning, and his body rigid with the electric current that was flowing through it.

The child, in convulsions, was rushed to the Everglades Memorial Hospital where he was treated for deep flesh burns on the right hand and it was found necessary to am- putate the little finger of the right hand. He was able to return to his home Monday afternoon.

Fine Arts Sorority Will Meet Sunday

The Xi Chapter of the Sigma Eta Fine Arts national sorority will hold an art exhibit and open house in the Community Park building at Canal Point Sunday, May 16 from 2 to 5 p. m.

The art work of members of the chapter will be on display and all art lovers are cordially invited to attend the open house and view and

judge the work.

Chapter members from Broward, Dade and Palm Beach Counties will be present to welcome local art lovers as guests. This group will in- clude three charter members of the chapter from the Glades area, Mrs. Frank L. Anderson of Belle Glade who will entertain with piano selections, Mrs. Edna Barrett and Mrs. Claude Santee of Canal Point.

Refreshments will be served.

Phil O'Connell Is Ladies Nite Speaker

Phil O'Connell of West Palm Beach, State's attorney, was guest speaker at the annual ladies night dinner and program held by the Pahokee Rotary Club Thursday night of last week in honor of the Rotary Anna, with John A. Dulany acting as master of ceremonies. Introduced by Mr. Dulany, the speaker gave a talk on "Four Eras of Thought" relating to man's inquiries down through the centuries of his relationship with God and with his fellow men, and pointed out how Rotary work strengthens this relationship.

The Misses Valerie Geiger, Linda Sellers and Mary Ellen Crews made up a vocal trio that sang "Bye, bye Blues," accompanied at the piano by Miss Margaret Powell. Miss Geiger and Miss Sellers also sang a duet, "Once in a While." The Rev. W. Hal Hunter acted as song leader during the group singing, with Elmer Jones at the piano.

The Rev. and Mrs. Carson T. Howes, Sr., former Pahokee residents now living in Jacksonville, announce the engagement of their daughter, Miss Lydia Helen Howes, to Palmer L. Swails, son of Mr. and Mrs. S. A. Swails of Yulee, Fla.

Dr. Gordon H. Schuetzler spent Mother's Day with his mother, Mrs. Rose Schuetzler, in West Palm Beach. Mrs. Schuetzler and children visited her mother, Mrs. Elsie Woodruff, and other relatives in Boynton Beach.

Mr. and Mrs. E. F. McIlwain had as recent guests his brother and sister-in-law, Col. and Mrs. S. W. McIlwain of Toledo, Ohio; also her sister, Mrs. Donna Mae Shields and mother, Mrs. Harriett Murdock of Wauchula.

"Best Seller" for 3 good reasons

CAN YOU SEE • STEER • STOP SAFELY?
CHECK YOUR CAR—CHECK ACCIDENTS

Buick now outsells all other cars in its price class and above

YOU'VE probably noticed it right in your own neighborhood.

Bright new Buicks appearing here, there, everywhere. And more and more of them in recent weeks.

Know what's happening?

Folks in growing numbers—(and maybe you'll be joining them soon!)—are finding Buick styling, performance and value far too wonderful to pass up.

So Buick is selling at a record pace—outselling all other cars in its price class and above.

Matter of fact, latest figures for the first quarter of 1954 show that, in total national volume, *Buick is out-selling every other car in America except two of the so-called "low-price three."*

A look and a ride and a peek at the price tag will be all you'll need to know what's back of this best-selling success.

There's styling in Buick that's the greatest beauty advance in years—the very look of tomorrow—and with the spectacular panoramic windshield that's part and parcel of this dream-car look.

There's performance in Buick as never before—with record-high V8 power, with the sensationally smooth

whip of Twin-Turbine Dynaflo,* with the buoyant ride of all-coil-springing, with a new precision of control and handling.

And there's value in Buick that's hard to match—with prices starting near the "low-price three"—prices that buy more Buick beauty and power and thrill and sheer automobile than smart money ever bought before.

How about you?

Are you ready, willing and waiting to be shown that this best seller called Buick is the buy of the year for you, too? Drop in this week, or give us a call, and we'll arrange a demonstration.

*Standard on ROADMASTER, optional at extra cost on other Series.
